president.ipmsqld@gmail.com

Office Use Only:

Date received	Received by	Processed by	Payment received	Membership Register updated	Welcome email and pack sent	Name badge delivered	Shirt ordered/ delivered	First page saved
							/	

¹ **Junior members' details:** other than their name, will not be collected by the club. Their parent's/guardian's details are required instead (postal address, phone, email), and all club communications will be sent to them.

Junior members must be actively supervised by a parent/guardian when attending club events.

² **Preferred name:** if nominated, will be used on your club name badges, in communications, etc.

³ **Club communication:** such as reminders, updates, etc., is exclusively by email. All group emails will usually be BCCd and will not disclose your contact details to other members. Phone will be used at the discretion of committee members to contact you individually and directly. It is not an alternate/substitute for email.

⁴ **Contact details for other members:** It is a requirement of the *Associations Incorporation Regulations* that a member's details (requested here) are held on a register. The register and/or an individual's details must be made available to a member when reasonably requested of the secretary.

An individual, or the committee, may choose to withhold any information on the register from other members if the request is unreasonable or there is a risk of harm in doing so.

Indicating "NO" to this question will indicate to the committee your preference, and the reason will be discussed with you further.

You can change your response here at any time by informing a member of the committee.
